ICE DRAGON – Legend of the Blue Daisies

Children & Family

Adventure abounds in this exciting, animated tale of a far-away kingdom threatened by a fearsome Ice Dragon. In the mountain village where the people live, magical blue daisies grow in the hills known only to a young girl named Melody and her eccentric grandfather. The villagers have long forgotten the meaning of the blue daisies and the power in the Song that releases their power. When the dragon arrives, their world soon becomes a frozen wasteland. With hope all but lost, a brave young lad named Leif steps out to face the dragon, but will his sword be enough? Find out in this amazing adventure with thrilling animation, memorable music and fun characters the whole family will enjoy!
